

# Pink, Is It Love?

1 Is it love or just curse?  
Do you feel good when I hurt?  
I need your heart to open up  
If this love's not real then it's just my lucky

Mommy I need your help  
This little boy he took my love  
He says these things  
That make my body's bone pop  
And then he runs  
Leaving me undone  
And I don't understand  
In sex he said he'd be my man

Repeat 1

Daddy listen I gave it up

I'm not your little girl  
My cherry and all the trust is missing  
But please listen, what do I do?  
I know you wanna hurt him  
But I like what he do  
He's only doing what you used to

Repeat 1

You never told me bout the birds and the bees  
Or about hide and go seek  
Or what he gets when he finds me  
The biggest mistakes are the choices I make  
Won't you help me decide?  
What's going on in my mind?

Repeat 1 till end
