

# Pink, Is it love

Is it love or just curse?  
Do you feel good when I hurt?  
I need your heart to open up  
If this love's not real then it's just my lucky  
Mommy, I need your help  
This little boy he took my love  
He says these things  
That make my body's bone pop  
And then he runs  
Leaving me undone  
And I don't understand  
In sex he said he'd be my man  
Is it love or just curse?  
Do you feel good when I hurt?  
I need your heart to open up  
If this love's not real then it's just my lucky  
Daddy listen I gave it up  
I'm not your little girl  
My cherry and all the trust is missing  
But please listen, what do I do?  
I know you wanna hurt him  
But I like what he do  
He's only doing what you used to  
Is it love or just curse?  
Do you feel good when I hurt?  
I need your heart to open up  
If this love's not real then it's just my lucky  
You never told me bout the birds and the bees  
Or about hide and go seek  
Or what he gets when he finds me  
The biggest mistakes are the choices I make  
Won't you help me decide?  
What's going on in my mind?  
Is it love or just curse?  
Do you feel good when I hurt?  
I need your heart to open up  
If this love's not real then it's just my lucky
