

# Pink, JUST LIKE FIRE

I know that I'm running out of time  
I want it all  
And I'm wishing they'd stop trying turn me off  
I want it on  
And walking on a wire, trying to go higher  
Feel like I'm surrounded by clowns and liars  
Even if I get it all the way  
I want it all

We can get them running, running, running  
We can get them running running, running  
Just Like Fire  
Burning out the way

If I can light the world up for just one day  
Watch this madness, colorful charade  
No one can be just like me any way  
Just like magic, I'll be flying free  
I'm disappear when they come for me  
I kick that ceiling, what you gonna say?  
No one can be just like me any way  
Just like fire

We can get them running, running, running  
We can get them running running, running  
So I can get it running  
Just coz nobody is done it  
You all don't think I can run it  
Bot look, I 've been here, I've done it  
Impossible?  
Please  
Watch, I do it with ese  
You just got to believe  
Come on,  
Come on with me  
What you're going to do?  
What, what?  
What you're going to do?  
What, what?  
What you're going to do?  
What, what?
