

# Pink, Lonely Girl

I can remember  
The very first time I cried  
How I wiped my eyes  
And buried the pain inside  
All of my memories  
Good and bad that's passed  
Didn't even take the time to realize

Staring at the cracks in the walls  
'Cause I'm waiting for it all  
to come to an end  
Still I curl up right under the bed  
'Cause it's takin' over my head  
All over again

Do you even know who you are?  
I guess I'm trying to find  
A borrowed dream or a superstar?  
I want to be a star  
Is life good to you, or is it bad?  
I can't tell anymore  
Do you even know what you have?

Lying awake  
Watching the sunlight  
How the birds will sing  
As I count the rings around my eyes  
Constantly pushing  
The world I know aside  
I don't even feel the pain  
I don't even want to try

I'm looking for a way to become  
The person that I dreamt up  
When I was 16  
Oh, nothing is ever enough  
Ooh, baby it ain't enough  
For what it may seem

Do you even know who you are?  
I'm still trying to find  
A borrowed dream or a superstar?  
Everybody wants to be...  
Is life good to you, or is it bad?  
I can't tell anymore  
Do you even know what you have?  
No

Sorry girl  
Tell a tale for me  
'Cause I'm wondering  
How you really feel  
I'm a lonely girl  
I'll tell a tale for you  
'Cause I'm just trying to make  
All my dreams come true

Do you even know who you are?  
Oh yeah, yeah  
A borrowed dream or a superstar?  
Oh, I wanted to be a star  
Is life good to you, or is it bad?  
I can't tell, I can't tell anymore  
Do you even know what you have?

I guess not, oh, I guess not

Do you even know who you are?

Oh, I'm trying to find

A rising dream, or a falling star?

Oh, I have all these dreams

Is life good to you, or is it bad?

I can't tell anymore

Do you even know what you have?

Oh, no, no

-Fades-

Do you even know who you are?

A rising dream, or falling star?

Is life good to you, or is it bad?
