

# Pink Martini, Let's Never Stop Falling In Love

I wish a falling star could fall forever  
And sparkle through the clouds and stormy weather  
And in the darkness of the night  
The star would shine a glimmering light  
And hover above our love

Please hold me close and whisper that you love me  
And promise that your dreams are only of me  
When you are near, everything's clear  
Earth is a beautiful heaven  
Always I hope that we follow the star  
And be forever floating above

I know a falling star can't fall forever  
But let's never stop falling in love

When you are near, everything's clear  
Earth is a beautiful heaven  
Always I hope that we shine like the star  
And be forever floating above

I know a falling star can't fall forever  
And let's never stop falling in love  
No let's never stop falling in love
