

Pink, Most Girls

I never cared too much for love
It was all a bunch of mush
That I just did not want
Paid was the issue of the day
If my girlfriends got some game
Couldn't be more fly
Getting paid was everything
But I'm not every girl
And I don't need that world to validate me
Cause shorty got a job
Shorty got a car
And short can pay your rent
But when I'm dancing baby it's not in my heart

1 - Most girls want a man with the bling-bling
Got my own thing, got the ching-ching
I just want real love
Most girls want a man with the mean green
Don't wanna dance if he can't be
Everything that I dream up
A man that understands real love

2 - Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, o-o-h

And I was some girl about the floss
It was all about the cost
How much he spent on me?
Seek for a man who got the means
To be giving you diamond rings
It's what every fly girl
Could want or even dream

But I'm not every girl
And I don't need no g to take care of me
Cause shorty got a job
Shorty got a car
And short can pay your rent
But when I'm dancing baby it's not in my heart, no, no

Repeat 1 (2x)

Repeat 2 (2x)

And I'm not every girl
And I don't need no g to take care of me, no
Cause shorty got a job
Shorty got a car
And short can pay your rent
But when I'm dancing baby it's not in my heart, oh most girls

Repeat 1

Repeat 1 & 2

Repeat 2

I, I just want just want real love
Said I gotta have real love
Everything, can you be everything I can come up with, oh
