

# Pink, Walk Of Shame

One step, two steps,  
Counting tiles on the floor.  
Three steps, four steps,  
Guess this means that I'm a whore.  
Oh oh, hell no,  
How long till I reach the door?  
Fuck me, my feet are sore

I'm wearing last night's dress  
And I look like a hot ass mess  
Although my hair looks good  
'cause I haven't slept yet.

Make the elevator come a little faster.  
I'm pushing all the buttons  
But nothing's happening  
Please, God, don't let anybody see me  
Please, God, I'll do anything you ask me  
I promise no more walks of shame

So walk this way  
(We're walking, we're walking)  
Walk this way  
(We're walking, we're walking)

Last night's bubble gum,  
No more bubbles, no more yum.  
Where'd I get the wrist band?  
Tell me there's no tramp stamp.  
One, two, three, shoot,  
No I know that shit ain't cute  
But dammit, man, the show is fun  
Party till the sun wakes up

Okay now raise your hands if  
You've ever been guilty.  
And click, click, click right now  
If you walk with me.

Make the elevator come a little faster.  
I'm pushing all the buttons  
But nothing's happening  
Please, God, don't let anybody see me  
Please, God, I'll do anything you ask me  
I promise no more walks of shame

So walk this way  
(We're walking, we're walking)  
Walk this way  
(We're walking, we're walking)

I shouldn't have let them  
Take my keys, take my keys  
They left me here with too much beer  
My friends, they hung me out too dry  
It's not my fault... And that's why...

I'm doin' the walk of shame

Make the elevator come a little faster.  
I'm pushing all the buttons  
But nothing's happening  
Please, God, don't let anybody see me  
Please, God, I'll do anything you ask me

I promise no more walks of shame

So walk this way  
(We're walking, we're walking)  
Walk this way  
(We're walking, we're walking)  
So walk this way  
(We're walking, we're walking)  
Walk this way  
(We're walking, we're walking)
