

# Pinkeye, Underground

V1

Why would anyone...  
Want to do this?  
How could anyone...  
Act so stupid?

C

I understand if, you don't like me,  
And I don't like people who understand me,  
Why would anyone want to do this?  
How could anyone.....

V2

Why are you so silent?  
Cos no one listens.  
Attention all punk rockers,  
We're gonna break things.
