

PinkPantheress, Do you miss me?

Do You Miss Me? Lyrics

I can't let go of your hand,
I can't even breathe without you I don't think you understand
I love to watch you as you speak
when you say the words I love you, tell me when you fall asleep

chorus

do you miss me
miss me
miss me miss me
miss me miss me
miss me
miss me
miss me
miss me miss me

We don't even get in fights

Went downstairs to make a coffee in the morning how you like.

But all I wanted was to scream

when I saw one of her messages that popped up on your screen

do you miss me miss me ahh

Does she miss you too?

I can be discreet if you don't want her seeing you

with me on your arm because I know you can't tell her yet

practice my i do's when I'm home because I know I still want you
