Pinnawela, Engine

Well I know Its hard But I got to Keep this working right cuz İ know now If we went so far We can go through Any harder times Cause our loves true No matter what We will stay together Stay together Stay together Cause our loves true Hes my engine Im his wheels Hes my anger Im his tears Hes my water Im his air Hes my man And Im his girl As I look back I can see the pain But Im a girl, you know I have tears in my veins As I look back I see good things too Even more I think Stuck to my head with glue Hes me engine Im his wheels Hes my anger Im his tears Hes my water And Im his air He is just my man And Im his girl I know now How I would like Spend with you ,man The rest of my life Yes we were strong Worked really hard Thats why we went so far And weve got what weve got
