

Pinnawela, Is it u

When I look At u
Oh my god I
I feel something new
Something divine
I have stomachache
I feel butterflies
I have sweating hands
I have bigger eyes
For me is something new
I dont know now what to do
Should I tell u all the truth?
That my mind desire u
Is it u?
Is it you
Are so amazing?
Is that u
Making storm in my mind?
Is that what?
Is that what
Is so embracing?
Everybody knows I dont ever act like this
Is it me?
Is it me?
Am I so crazy?
What has happened to my self-control?
Is it right?
Is it right?
What I am facing?
Is it right?
Whole my life I was just
A target of desire
They were trying to be owners
The owners of my fire
But the day I met you turned me
Turned me into water
Now quietly Im waiting
For you to make me hotter
For me is something new
I dont know now what to do
Should I tell u all the truth?
That my mind desire u
Is it u?
Is it you
Are so amazing?
Is that u
Making storm in my mind?
Is that what?
Is that what
Is so embracing?
Everybody knows I dont ever act like this
Is it me?
Is it me?
Am I so crazy?
What has happened to my self-control?
Is it right?
Is it right?
What I am facing?
Is it right?
