

Pinnawela, Second chance

This is how you trying
Get your second chance
You come here pretending
That you're innocent
Dont you know my patience
Isnt just for rent
My heart built a system of a
Self defense
Excuse me, you see I wont abuse
No, no
I'll put my shoes on
And I'll go
Straight into my freedom
I'm not mad
I'm not angry
I'm not even sad
But I'm glad that it comes out
And its good that you said loud
And I could hear you crying
I could see you trying
Put that bullshit in my head
Thats why I'm not sad
I'm not said
This is....
It's not 'bout expectations
For this relation
cuz I don't have really any
It's just bout conversation
For understanding
And no lies cuz that's pathetic
