

# Pinnawela, Several times

Several times  
Several times he said I love you  
However u looks  
Whatever u cook  
Wherever u is  
Im coming to you  
Whenever u call  
Its never too far  
Never too late  
The time never rests  
And I hate to wait  
If I need to compare  
Whatever to you  
You always the best  
Did you hear that?  
Several times  
Several times he said I love you  
I should be jealous of myself  
Would you like some breakfast?  
Should I buy some fruits?  
See you had a bad day  
Rest child, don't move  
Did you hear that?  
Did somebody talk to you like that?  
Did somebody treat u that way?  
Thats the way the love goes love goes
