

Piotr Wiśniewski, You and I

You and I
You and I tonight
/2x

I feel you want to take me
I feel you want to give me more
I know it's right and must save me
But it's so hard for you
But it's so hard for me

I know I give up tonight
You always be on my mind
It's like your love will create me
I'm gonna give up tonight
You always be on my mind
It's like your love will create me

You and I
You and I tonight
