

# Piotrek Lipka, No One Knows

Here the clock tik Sundy  
Hard to work all day  
Bloody rainy Monday  
She paints the summer day  
And all I want is ?  
Road without a band  
Waiting till the morning  
Till the very end

No one knows  
Where it goes  
In the sunlight  
It seems I know  
Have a change  
Have a goal  
You?re the live that no one knows

All I want is maker  
Confuse me my afraid  
There?s too cold to wake up  
And take this road again

No one knows  
Where it goes  
In the sunlight  
It seems I know  
Have a change  
Have a goal  
You?re the live that no one knows
