

Piper Billie, Saying I'm Sorry Now

D.Rambo/J.Richmond

This is B

First class you know

This is B here oh oh oh yeah...

Nobody knows this but me

All I could see was someone

Who didn't love me for me

How could I have been so dumb?

I tried to act like I knew

You never cared from the start

I gave you problems cos I

Knew that you gave me your heart

My baby my my baby

I wanna come back home

My baby my my baby

Back to those open arms

I'm everything you want

Lord knows I'm everything you need

I'll be those promises

That you always said to me

Chorus:

If I never told you I need you

I'm saying that I need you now

Saying I need you now

If I never told you I'm sorry

I'm saying that I'm sorry now

Saying I'm sorry now

And now I'm all alone

My friends don't understand

Said you can't have a good life

If you can't keep a good man

I was a fool back then

I tried to be miss strong

I let you go when you

Didn't do a damn thing wrong

My baby my my baby

I wanna come back home

My baby my my baby

Back to those open arms

I'm everything you want

Lord knows I'm everything you need

I'll be those promises

That you always said to me

(Chorus)

(Why? Why? Why did I let you go?)

Deep down you know you know I'm sorry

(Why? Why? Why did I let you go?)

Deep down you know you know I'm sorry

My baby my my baby

I wanna come back home

My baby my my baby

Back to those open arms

I'm everything you want

Lord knows I'm everything you need

I'll be those promises

That you always said to me

(Chorus)
