

# Piper Perabo, But I Do Love You

I don't like to be alone at night  
and i don't like to hear i'm wrong when i'm right  
and i don't like to have the rain on my shoes  
but i do love you  
but i do love you  
i don't like to see the sky painted grey  
and i don't like when nothing's going my way  
and i don't like to be the one with the blues  
but i do love you  
but i do love you  
love everything about the way you're loving me  
the way you lay your head upon my shoulder when you sleep  
and i love to kiss you in the rain  
i love everything you do  
oh i do  
i don't like to turn the radio on  
just to find i missed my favorite song  
i don't like to be the last with the news  
but i do love you  
but i do love you  
love everything about the way you're loving me  
the way you lay your head upon my shoulder when you sleep  
and i love to kiss you in the rain  
i love everything you do  
oh i do  
and i don't like to be alone at night  
and i don't like to hear i'm wrong when i'm right  
and i don't like to have the rain on my shoes  
but i do love you  
but i do love you  
but i do love you  
but i do love you
