Piper Perabo, But I Do Love You

I don't like to be alone at night and i don't like to hear i'm wrong when i'm right and i don't like to have the rain on my shoes but i do love you but i do love you i don't like to see the sky painted grey and i don't like when nothing's going my way and i don't like to be the one with the blues but i do love you but i do love you love everything about the way you're loving me the way you lay your head upon my shoulder when you sleep and i love to kiss you in the rain i love everything you do oh i do i don't like to turn the radio on just to find i missed my favorite song i don't like to be the last with the news but i do love you but i do love you love everything about the way you're loving me the way you lay your head upon my shoulder when you sleep and i love to kiss you in the rain i love everything you do oh i do and i don't like to be alone at night and i don't like to hear i'm wrong when i'm right and i don't like to have the rain on my shoes but i do love you but i do love you

but i do love you but i do love you
