

# Pitbull, Lit In The City (feat. T-Pain & El Micha)

I'd like to welcome everybody to Pit-Coin  
Now see, the difference between me and cryptocurrency  
Is that what comes quick leaves quicker  
Baby, it's a whole lotta money on the floor  
I'm more of a slow, but a for sure  
Yeah girl, I put stacks on your back, back, racks on your rack

T-Pain

And you know I got a whole lot more  
Micha, yours truly, Mr. Worldwide  
Put these bands in your hand, I ain't playin', I'm the man  
Let's ride

Baby, what you gon' do for it? Hey  
Baby, I like that  
Yeah  
Yeah, let's make plans in the mansion  
Tell your home girl you'll be right back  
Yeah

Oh, what you gon' do for it?

Hey

Ooh baby, I like that

Yeah

We can go and get litty in the city  
Baby, tell your home girl you'll be right back  
Eeeeeeyoooooo  
Oh, what you gon' do?

Everybody knows that this chico spits fire  
These new rappers might as well wear a wire  
Todo el mundo sabe que yo siempre estoy en talla  
He perdido mucho en la vida, pero Dios no me falla  
Me encanta la agua, so compré una playa  
Mami, tírate pa'l baño y súbete la salla  
Sí que estoy loco y siempre ando solo  
Ligao con latino, mezclao con cocolo  
Armando te tumba la casa  
T-Pain, aquí con la raza  
El Micha te tumba la ficha  
So, vete pa' la pinga, you son of a bitch

Baby, it's a whole lotta money on the floor  
Yeah girl, I put stacks on your back  
Racks on your rack  
And you know I got a whole lot more  
I put these bands in your hand  
I ain't playing, I'm the man

Baby, what you gon' do for it? Hey  
Ooh baby, I like that

Oh, what you gon' do?

Oye, tenemo' el billete, la hookah con la botella  
Asere, tenemo' de to' pa' que baile ella

Avísale a la luna que llegaron las estrellas  
Venimos a llevarnos las mujeres más bellas  
Que no falta la bebida en El Salaito  
El saldo americano con los cubanitos  
Es que la fiesta empieza tarde y no se acaba tempranito  
En la playa hay repelente pa' los mosquitos  
Saliendo de E11EVEN como siempre, con paragua' por si llueve  
Que Pitbull va a sacar el yate después de las 9  
Dame una vuelta por la city y gastamos los de a cien  
Que esta vez no vine solo, vine con Pitbull y T-Pain

Baby, it's a whole lotta money on the floor  
Yeah girl, I put stacks on your back  
Racks on your rack  
And you know I got a whole lot more  
I put these bands in your hand  
I ain't playing, I'm the man
