

Pitchshifter, Tendrill

bet ya, they're gonna get ya.

sooner, later, one way or another.

"yes please" I wanna see the achilles species down on its knees.

yes sir they're gonna save us* (*subject to status).

absolution guaranteed* (*for a small additional fee) and the first will be first and the last won't last.

next time, I'm gonna get mine.

sooner, later, one way or another.

next scene I wanna be the malignant instant 'watch your back' guarantee.
