

Pitchshifter, What's In It For Me?

I tried my best
did all that I can
I don't think that
I've got a single thing left
that I can call my own
still at the end of the day
when all said and done
the one and only single
thing left is that one burning
question...
What's in it for me!
(yeah)
What's in it for me!
(yeah)
What's in it for me!
Cause that's what really matters
(yeah)
What's in it for me me me!
(yeah)
What's in it for me me me!
(yeah)
What's in it for me me me!
Cause that's what really matters
Same as the rest
Convince me I am
You don't need to burn the
Bridge in my head
Cause i'm out on my own
Still at the end of the day
When all said and done
The one and only single thing left is
that one burning question...
What's in it for me!
(yeah)
What's in it for me!
(yeah)
What's in it for me!
Cause that's what really matters
(yeah)
What's in it for me me me!
(yeah)
What's in it for me me me!
(yeah)
What's in it for me me me!
Cause that's what really matters
(yeah)
What's in it for me me me!
(yeah)
What's in it for me me me!
(yeah)
What's in it for me me me!
Cause that's what really matters
(yeah)
What's in it for me me me!
