

Pitty, Love Buzz (Nirvana Cover)

Would you believe me when I tell you
You are the queen of my heart
Please don't deceive me when I hurt you
Just ain't the way it seems

(x4)
Can you feel my love buzz?

Would you believe me when I do you
You are the queen of my heart
Please don't deceive me when I hurt you
Just ain't the way it seems

(x4)
Can you feel my love buzz?
