

Pixie Lott, Kiss the Stars

Baby, baby, we're on the rocket Venus and Mars now can't be apart now.
Baby, baby, put me in your pocket,
We're on a mission, get in position.
Put the plug in the socket, give me all your power,
When you turn it on I can go for hours,
Hit the switch push the button, baby then you'll see,
We can have it all baby you and me.

Kiss the stars tonight, you and me, oh we will,
Write our name in lights,
Then we'll see,
We're in love tonight, love tonight, we're in love tonight.
Love tonight, love tonight, we're in love tonight.

Baby, baby were on a rocket
Wherever we land, you'll be my spaceman.
Baby, baby were supersonic
Now we're together, we'll last forever.

Put the plug in the socket, give me all your power,
When you turn it on I can go for hours,
Hit the switch push the button, baby then you'll see,
we can have it all baby you and me.

Kiss the stars tonight, you and me, oh we will,
Write our name in lights,
Then we'll see,
We're in love tonight, love tonight, we're in love tonight.
Love tonight, love tonight, we're in love tonight.

Put the plug in the socket, give me all your power,
When you turn it on I can go for hours,
Hit the switch push the button, baby then you'll see,
we can have it all baby you and me .

We, we, we can have it all baby you and me,
We, we, we can have it all baby you and me.

Kiss the stars tonight, you and me, oh we will,
Write our name in lights,
Then we'll see,
We're in love tonight, love tonight, we're in love tonight.
Love tonight, love tonight, we're in love tonight

We're on the rocket, we're on the rocket!
