

# Pixie Lott, Show You Love

1,2,3,4

If you want love  
Then you gotta show your love  
And if you need love  
Then you gotta give enough  
Cause if you know love  
Then you know the road is tough  
But I'm not about to give you up  
I'm about to show you love  
I'm not gonna lie  
It's been harder  
Trying to find the light  
Through the darkness  
Heavy mind  
Heavy hearted  
But I got to carry on  
Carry on regardless  
Writing it down on a piece of paper

Oooh  
Trying to get there  
Trying to get there  
If you want love  
Then you gotta show your love  
And if you need love  
Then you gotta give enough  
'Cause if you know love  
Then you know the road is tough  
But I'm not about to give you up  
I'm about to show you love  
Show you love  
Show you love  
Show you love  
Show you, show you love  
I'm not trying to say  
That's easy  
To appreciate  
All your feelings  
What you have now  
You can hold  
And you'll have more now  
Watch it grow

If you want love  
Then you gotta show your love  
And if you need love  
Then you gotta give enough  
Cause if you know love  
Then you know the road is tough  
But I'm not about to give you up  
I'm about to show you love  
If you want love  
Then you gotta show your love  
And if you need love  
Then you gotta give enough  
Cause if you know love  
Then you know the road is tough  
But I'm not about to give you up  
I'm about to show you love

I'm about to show you love  
I'm about to show you love  
I'm about to show you, show you, show you love

Yeah baby  
Show you love  
Show you love
