

# Pixies, I Can't Forget

I stumbled out of bed  
I got ready for the struggle  
I smoked a cigarette  
And I tightened up my gut  
I said this can't be me  
Must be my double  
And I can't forget  
And I can't forget  
I can't forget but I don't remember what  
I'm burning up the road  
I'm heading down to Phoenix  
I got this old address  
Of someone that I knew  
It was high and fine and free  
Oh you should've seen us  
And I can't forget  
And I can't forget  
I can't forget but I don't remember who  
I'll be there today with a big bouquet of cactus  
I've got this rig that runs, runs on memory  
And I promise, cross my heart they'll never catch us  
But if they do just tell 'em it was me  
I've loved you all my life  
And that's how I want to end it  
The summer's almost gone  
And winter's tuning up  
The summer's gone but a lot goes on forever  
And I can't forget  
I can't forget  
I can't forget, but I don't remember what
