

Pixies, I've Been Waiting For You

I've been lookin'
For a woman
To save my life
Not to beg or to borrow

A woman with the feeling
Of losing once or twice
Who knows how it could be tomorrow

I've been waiting for you
And you've been coming to me

For such a long time now
Such a long time now

A woman with the feeling
Of losing once or twice
Who knows how it could be tomorrow

I've been waiting for you
And you've been coming for me

For such a long time now
Such a long time now
