

# Pixies, Space (I Believe In)

We needed something to move  
And fill up the space  
We needed something  
This always is just the case  
Jefrey with one f Jefrey took up his place  
Sat on a carpet  
And with tablas in hand  
Took up the chase

Jefrey with one f Jefrey  
Now it occurred to me as he drove away  
D equals R times T  
Jefrey with one f Jefrey [4x]

Spacious  
(He's so) spacious  
Jefrey with one f Jefrey [4x]

Space  
(I believe in) space  
Jefrey with one f Jefrey

Now I'm going to sing the Perry Mason theme

(He's so, he's so) spacious  
(He's so, he's so) spacious  
(He's so, he's so) spacious

Jefrey with one f Jefrey  
Jefrey with one f Jefrey  
Jefrey with one f one f
