

Pizzamen, I Believe

All night
all night long
i'll be up
singing this song

i yae yae
yae yae
weeo weeo peeo
can't you seeo

betty evil betty
i dont know what happened to your hair
it's like you lost control of your razor
because the front part's not there

i believe in merry men
i believe in dumb men too
weeo weeo weeo we
weeo weeo weeo we
