

# Pizzamen, Social Enragement

if i could be a prostitute for the stripper club  
i would go out with a buff guy named bub  
its all over for the world now  
kung pow chicken chow wow

when its time to pee  
dont come crying to me  
britney spears sucks the big one  
with her boobs ill have fun

one two one two three  
i wish i wish i was a fish  
there is no reason to be me  
pizza is our favorite dish

we wish our songs made sense  
but some kid on the internet is writing these songs  
i ripped my pants when i jumped this kids fence  
i really really like to smoke a few bong

this is your last warning  
buy our damn cd  
or we'll go into mourning  
this is our cd

one two one tow three  
i wish i wish i was a fish  
there is no reason to be me  
pizza is our favorite dish
