-----  
love never  
gets back to you  
and we try to avoid  
to look at each other  
when we smile

we are alone  
at night in a quiet pool  
we're just floating

but still  
love is endless  
and i can't find  
a good excuse  
i just smile

we are alone  
at night in a cold pool  
and we just drown

nobody can help us  
nobody will answer  
we'll just sink

but love never gives you  
a previous sign  
it will just  
go away  
and leave us

we are alone  
at night in a cold pool  
and we just drown

nobody can help us  
nobody will answer  
we'll just sink

nobody can help us  
nobody will answer  
we'll just sink

nobody can help us  
nobody will answer  
nobody can help us  
nobody will answer  
we'll just sink
