good evening
we have pizzicato five

from tokyo

welcome to the
pizzicato five show
welcome to the circus

Did you see the poster
this morning?
the parade is coming this way
throwing confetti
well, the circus is coming
to this town, so ...
well, the funky band is coming
to this town, so ..

.
in a trunk
let's pack our
sparkling sequined clothes
a silver wig and
a turntable, too
well, the circus is coming
to this town, so ...
the lively band is coming
to our town, so ..

.
my darling is waiting for me
this morning at the next town
"I can't wait any longer"
hey, the revue is starting
hey, the revue is starting

ridin' the circus elephant
the funky revue is starting
Her Funky Majesty and
the groovy band are coming onstage
the circus clown jokes
the funky revue is starting
Her Funky Majesty and
the grooviest band in the world

in the spotlight and
can you hear the fanfare
the guitar hero from outer space
is coming onstage
well, the circus coming
to this town, so ...
the funky band coming
to our town, so ...

my darling is waiting for me
this morning at the next town
"I can't wait any longer"
hey, the revue is starting
hey, the revue is starting

ridin' the circus elephant
the funky revue is starting
Her Funky Majesty and
the groovy band are coming onstage
the circus clown jokes
the funky revue is starting
Her Funky Majesty and
the craziest band in the world
