

# PJ Harvey, Easy

Oyster pearl  
You easy girls  
You're flapping in  
You're shouting  
You're dead good  
All the men say  
Legs wide, hips swinging like a doorway  
Easy  
Easy  
Easy  
I'm ranting  
I'm raving  
I'm taking in just everything  
You're giving me no leeway  
I opened once and you called me devil's gateway  
Easy  
Easy  
Easy  
Easy  
And I deserve it  
I asked for it  
Have to admit it  
We dress like targets  
Yeah I deserve it  
Give me no leeway  
I'll give you fine times  
You can call me devil's gateway  
Easy  
Easy  
Easy (and I deserve it)  
Easy (and I deserve it)
