

# PJ Harvey, Long Snake Moan

Dunk you  
Under  
Deep salt  
Water  
Bring me  
Lover  
All your  
Power  
I'll be  
No hell  
Out of  
Your spell  
Over  
Under  
Die of  
Pleasure  
Hear my  
Dreaming  
You'll be  
Drowning  
Hell's no  
God above  
All drunk  
On my love  
You oughta hear my long snake moan!  
You oughta see me from my moan!  
Dunk you  
Under  
Deep salt  
Water  
In my  
Dreaming  
You'll be  
Drowning  
Raise me  
Up lord  
Call me  
Lazarus  
Hey lord  
Hear me  
Make me  
My fill  
You oughta hear my long snake moan!  
You oughta see me from my moan!  
It's my voodoo working  
It's my voodoo working  
It's my voodoo working  
It's my voodoo working
