

# PJ Harvey, The Sky Lit Up

I'm walking in the city tonight  
I'm walking in the city at dark  
Remembering, remember light  
Thinking of nothing, and the shooting stars

And this world tonight is mine  
A world to be remembered in  
Think on a faded photograph  
My hair longer than it's ever been

The sky lit up  
The sky  
My friend  
The sky lit up  
The sky my friend  
And I'm lighter than I've ever been

I saw the trees crossing the moon  
I saw the stars and heaven above  
Shine on my own beautiful prayer  
Shining on my own beautiful love

The sky lit up  
The sky my friend  
The sky lit up  
I'm lighter than I've ever been

And I'm dancing with him  
In this city and in this town  
I don't care what he's thinking of  
Just take the car, just take my hand

The sky lit up  
The sky lit up  
The sky lit up  
The sky lit up
