

# PJ Harvey, The Whores Hustle And The Hustlers

Speak to me of universal laws  
The whores hustle and the hustlers whore  
All around me people bleed  
Speak to me your song of greed

Speak to me of your inner charm  
Of how you'll keep me safe from harm  
I don't think so, I don't see  
Speak to me of your inner peace

Little people at the amusement park  
City people in the dark  
Speak to us, send us a sign  
Tell us something to keep us trying

The whores hustle and the hustlers whore  
Too many people out of love  
The whores hustler and the hustlers whore  
This city's ripped right to the core

Speak to me of heroin and speed  
Of genocide and suicide, of syphilis and greed  
Speak to me the language of love  
The language of violence, the language of the heart  
This isn't the first time I've asked for money or love  
Heaven and earth don't ever mean enough  
Speak to me of heroin and speed  
Just give me something I can believe

The whores hustle and the hustlers whore  
Too many people out of love  
The whores hustler and the hustlers whore  
This city's ripped right to the core
