

# PJ Harvey, This Is Love

I can't believe life's so complex  
When I just wanna' sit here and watch you undress  
This is love that I'm feeling  
Does it have to be a life full of dread?  
I wanna' chase you round the table, I wanna' touch your head  
This is love that I'm feeling  
I can't believe that the axis turns on suffering  
When you taste so good  
I can't believe that the axis turns on suffering  
While my head burns  
This is love that I'm feeling  
Even in the summer, even in the spring  
You can never get too much of a wonderful thing

You're the only story that I never told  
You're my dirty little secret, wanna' keep you so  
Come on out, come on over, help me forget  
Keep the walls from falling on me, tumbling in  
- This is love that I'm feeling
