

# PJ Harvey, To Bring You My Love

I was born in the desert  
I been down for years  
Jesus, come closer  
I think my time is near  
And I've travelled over  
Dry earth and floods  
Hell and high water  
To bring you my love  
Climbed over mountains  
Travelled the sea  
Cast down off heaven  
Cast down on my knees  
I've lain with the devil  
Cursed god above  
Forsaken heaven  
To bring you my love  
To bring you my love  
To bring you my love  
To bring you my love  
I know he's gonna be here  
You know he's gonna be here  
Yeah alright  
Forsaking heaven  
Curse god above  
Lay with the devil  
Bring you my love  
To bring you my love  
To bring you my love  
To bring you my love
