

# PJ Harvey, To Talk To You

Oh grandmother  
How I miss you  
Under the earth  
Wish I was with you

To Talk To You

I found somebody  
Try to give myself to  
Many times  
I wanted to talk to you

If I laid on the Earth  
Could you hear?

Oh Grandmother  
I'm so lonely  
All my life

If I laid on the earth  
Could you hear?  
If I lay
