

PJ Harvey, Wang Dang Doodle

Tell automatic Slim
Tell razor totin' Jim
Tell butcher knife toting Nanny
Tell fast talking fanny
We're gonna pitch a ball
Down to the union hall
We're gonna romp and trump till midnight
We're gonna fuss and fight till daylight
We're gonna get your wang dang doodle all night long
Tell cooda-crawling Ray
To tell abyssinia Ned
To tell old pistol Pete
To tell everybody he meets
Tonight we need no rest
We're gonna really throw a mess
We're gonna knock down all the windows
We're gonna kick down all the doors
We're gonna get your wang dang doodle all night long
All night long
All night long
All night long
All night long
Tell fats and washbone Sam
Everybody gonna jam
Tell shaking boxcar Joe
We got sawdust on the floor
Now tell Peggy and Colin Die
We're gonna have a heck of a time
Now when the fish scent fill the air
There'll be snuff juice everywhere
We're gonna get your wang dang doodle all night long
All night long
All night long
All night long
All night long
All night long
All night long
All night long
