

# PJ Harvey, Who Will Love Me Now

In the forest, is a monster  
It has done terrible things  
So in the wood, it's hiding  
And this is the song it sings  
Who will love me now?  
Who will ever love me?  
Who will say to me  
"You are my desire, I set you free?"  
(Who will love me now?)  
Who will forgive and make me live again?  
Who will bring me back to the world again?  
In the forest, is a monster  
And it looks so very much like me  
Will someone hear me singing?  
Please save me, please rescue me  
Who will love me now?  
Who will ever love me?  
Who will say to me  
"You are my desire, I set you free?"  
Who will love me now?  
Who will ever love me?  
Who will say to me  
"You are my desire, I set you free?"  
(Who will love me now?)  
(Who will ever love me?)  
Who will love me now?  
Who will ever love me?  
Who will love me now?  
Who will ever love me?  
Who will love me now?  
Who will ever love me?
