

# Placebo, Jackie

Jackie left on a cold, dark night  
Telling me he'd be home,  
He sailed the sea for a hundred years  
And left me all alone.

Now I've been dead for twenty years  
I've been washing the sand  
With my ghostly tears  
Searching the shores for my  
Jackie ooh.

And I remember the day  
That the young man came  
Said your Jackie's gone  
He's lost in the rain  
And i ran to the beach  
(Laid me down)

You're all wrong, I said  
As they stared to the sand,  
That man knows the sea  
Like the back of his hand,  
He'll be back sometime  
Laughing at you.

I've been waiting all this time,  
For my man to come  
Take his hand in mine  
And lead me away to unseen shores.

I've been washing the sand  
With my salty tears  
Searching the shores these long years  
And I walked the sea forevermore  
Till I find my Jackie ooh,

Jackie ooh,  
Jackie ooh,  
Jackie ooo-oo-oo.
