Placebo, Lazarus

It's horrid to see you again Now that you're back from the dead It's horrid to see you again So bored of being you It's horrid to see you again Now that you're back from the dead It's horrid to see you again So bored of being Alive Alive

It's horrid to see you again Acting like you're on some kind of cross It's horrid to see you again An emotional retard It's horrid to see you again Unaware that I may not be lost It's horrid to see you again So bored of being Alive Alive Alive

It's horrid to see you again Walking around with that ache on your face It's horrid to see you again So full of apathy It's horrid to see you again Caught in a trap that you cannot escape It's horrid to see you again So bored of being Alive Alive Alive
