Placebo, Shout

Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you, come on
Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you, come on

In violent times, you shouldn't have to sell your soul
In black and white, they really, really ought to know
Those one-track minds that took you for a working boy
Kiss them goodbye, you shouldn't have to jump for joy
You shouldn't have to jump for joy

Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you, come on

They gave you life and in return, you gave them hell
As cold as ice, I hope we live to tell the tale
I hope we live to tell the tale

Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you
Come on
Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you
Come on

Shout, shout, let it all out
(Let it all out)
These are the things I can do without
Come on
I'm talking to you
Come on

And when you've taken down your guard
If I could change your mind
I'd really love to break your heart
I'd really love to break your heart

Shout, shout, let it all out
These are the things I can do without
(Break your heart)
Come on
(Really love to break your heart)
I'm talking to you
Come on
Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you
So come on

Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you

Come on
(They really, really ought to know)
Shout, shout, let it all out
(They really, really ought to know)
These are the things I can do without
(They really, really)
Come on
I'm talking to you
(They really, really ought to know)
Come on

Shout, shout, let it all out
(I'd really love to break your heart)
These are the things I can do without
(I'd really love to break your heart)
Come on
I'm talking to you
So come on

Shout, shout, let it all out
These are the things I can do without
Come on
I'm talking to you
