

# Placebo, Where Is My Mind?

With your feet in the air and your head on the ground  
Try this trick and spin it, yeah  
Your head will collapse  
If there's nothing in it  
And you'll ask yourself:  
"Where is my mind?  
Where is my mind?  
Where is my mind?"  
Way out in the water, see it swimming.  
I was swimming in the Carribean  
Animals were hiding behind the rock  
Except for little fish  
When they told me east is west, trying to talk to me, coy koi  
Where is my mind?  
Where is my mind?  
Where is my mind?  
Way out in the water, see it swimming
