

Plain White T's, Lazy Day Afternoon

Nothing's going on, but I don't care
Leave me here, don't take me anywhere
Why should I get up
When I've got nothing to do?
Just another lazy day afternoon
Beautiful day outside, but I don't care
Everything I need I got right here
Why should I go out?
Why should I even move?
Just another lazy day afternoon
Afternoon, when everybody's workin'
I'd rather be a jerk and lay around
Afternoon, this day is just too perfect
Just another lazy day afternoon
