

# Plain White T's, Let Me Take You There

I know a place that we can go to  
A place where no one knows you  
They won't know who we are  
I know a place that we can run to  
And do those things we want to  
They won't know who we are

Let me take you there  
I wanna take you there

I know a place that we forgot  
A place where we won't get caught in  
They won't know who we are (they won't know, won't know)  
I know a place where we can hide out  
And turn our hearts inside out  
They won't know who we are

Let me take you there  
I wanna take you there  
Let me take you there  
Take you there  
Take you there  
Ooohhh  
Ooohhh  
Ooohhh  
Ooohhh

I know a place we'll be together  
And stay this young forever  
They won't know who we are

Let me take you there  
I wanna take you there  
Let me take you there  
Take you there  
Take you there  
Ooohhh

We can get away to a better place if you let me take you there  
We can go there now cause every second counts  
Girl just let me take you there  
Take you there
