

# Plain White T's, Revenge

By now you should know everything you say  
Can and will be used against you some day  
I got the microphone so dont go too far  
Cause Im gonna tell the whole world how you really are

I dont even care how youre gonna feel  
Cause Ive already tried to give you something real  
So go ahead and get mad never talk to me again  
I dont even care cause I got my

Revenge  
Revenge  
Revenge  
Got my revenge

One night youre begging me to stay  
The next night you push me away  
I dont need youre promising to give it up  
Is too late cause now Im giving up

Revenge  
Revenge  
Got my revenge

By now you should know everything you say  
Can and will be used against you some day  
I got the microphone so dont go too far  
Cause Im gonna tell the whole world how you really are
