

# Planet Shakers, All I Want Is You

I've waited all my life to be here face to face.  
I never knew that I could feel this kind of grace.  
The way You show me that Your blood has washed me clean,  
Could never be erased; it lives inside of me.

Take me to that secret place,  
Where I can only see Your Face,  
And nothing else will ever feel this way.  
You take away my guilty stains,  
The things I've done that I can't change,  
It's only by the Power of Your name.

I stand here in this place,  
See the Glory on Your Face,  
Taken by the wonder of Your name.  
I'm desperate for Your touch,  
Never needed it so much,  
Cause all I want is You.

When all the things around me have fallen to the ground  
I'm always thankful for the love in You I've found.
