

# Planet Shakers, Burn

Here in this place  
I can feel your touch  
As I seek your face  
Showing me your love

I Need you now  
Come and wash me over  
Your spirit reigns  
Filling me with power

Open up my heart  
And you will find  
This fire burns so deep  
It burns so bright  
For you

Lord I will burn  
Lord I will burn  
For you  
Lord I will burn  
Lord I will burn  
For you
