

Planet Shakers, Closer To You

All of my life I've searched for this
It's hard to explain this happiness
All of my searching left me poor
Now I have tasted, my spirit's crying
Out for more

Everyday it's hard to believe
The way You change what's inside of me
I wanna get closer to You
When I think that I've let You down
Your open arms of love I have found
I wanna get closer to You

There was a time when I was lost
Caught in a world of selfish cares
But when You found me something changed
My eyes were opened, now I will never
Be the same
